# What is Manos de Esperanza?

- "Manos de Esperanza" is a ministry of [Inglesia Alcances Huatulco](#). Manos de Esperanza began in the summer of 2020 after the pandemic shut down the businesses in Huatulco and many families suffered loss of income.
- Church leaders sought the Lord about how to help their community. A soup kitchen and food pantry helped meet the needs for food, however, with no "unemployment" or "stimulus packages" the people were desperate.
- The answer was to teach women how to use sewing skills and create items to sell as well as learn biblical truths and experience the love of Jesus Christ as their savior.
- The idea was loosely patterned after Hilos de Esperanza in Pluma Hidalgo.
